
Seville Estate Wine Club Wine Allocations & Rewards

This year's allocation has been carefully curated to include wines across the range. Each pack offers a selection of wines that suit all occasions, from easy drinking, something special and wines for the cellar. We have also included exclusive access to museum releases, offering insight to the aging potential of our wines.

We have selected several high scoring wines including our incredible; sold out, 99 pointed 2017 Reserve Pinot Noir. This wine was also crowned "Best Pinot Noir" by James Halliday Wine Companion 2019.

By signing up you will receive 500 points and with each allocation be presented with an Optional Upgrade enabling access to rare and often sold out wines and gain bonus points.

Points can be redeemed on a variety of experiences at the property, giving you a chance to submerge your senses in all things Seville Estate. From tastings to overnight stays and an invite to our annual dinner where we celebrate the bounty of harvest and taste new releases straight from the cellar.

We look forward to sharing our wines and a continued relationship with friends whom enjoy them most!
