You are invited to join the Seville Estate Wine Club

Annual allocations are selected by head winemaker Dylan McMahon and the wine team. They include new release, museum and wines that are unavailable anywhere else.

As a Wine Club member you will receive wines across all ranges. Your allocation will be sent in February, May, August and November each year. Before each wine delivery you have the choice to request an Optional Upgrade, which enables access to rare and often sold out wines and earns additional reward points that can be redeemed anytime.

Our Exclusive Platinum Members will receive additional premium benefits and reward points through the year.

Membership is easy and simple, all you need to do is purchase your first allocation, there are no minimum requirements. Points will be awarded across all Seville Estate offerings including purchases on wine (online and at cellar door), restaurant and accommodation.
